

## **Perrigo and Partner Cobrek Announce Settlement of Luxiq® Patent Litigation**

PRNewswire-FirstCall  
ALLEGAN, Mich.

Perrigo Company (NASDAQ: PRGO)(TASE: PRGO) today announced that, together with its partner Cobrek Pharmaceuticals, Inc., it has agreed to settle all Hatch-Waxman litigation relating to betamethasone valerate foam brought by Stiefel Laboratories, a GSK Company, against Cobrek by taking a royalty bearing license under all relevant patents. Under the terms of the settlement, Perrigo can launch a generic version of Luxiq® Foam on January 15, 2013, or earlier under certain circumstances.

Luxiq® (betamethasone valerate) Foam is a topical corticosteroid indicated for relief of the inflammatory and pruritic manifestations of corticosteroid-responsive dermatoses of the scalp, and had sales of approximately \$38 million for the 12 months ended February 2010, as measured by Wolters Kluwer Health.

Perrigo's Chairman and CEO Joseph C. Papa concluded, "This is another example of Perrigo's commitment to bring new products to market. Perrigo continues its focus on bringing quality, affordable healthcare to consumers."

Perrigo Company is a leading global healthcare supplier that develops, manufactures and distributes OTC and generic prescription pharmaceuticals, nutritional products, active pharmaceutical ingredients (API) and consumer products. The Company is the world's largest manufacturer of OTC pharmaceutical products for the store brand market. The Company's primary markets and locations of manufacturing and logistics operations are the United States, Australia, Israel, Mexico and the United Kingdom. Note: Certain statements in this press release are forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and are subject to the safe harbor created thereby. These statements relate to future events or the Company's future financial performance and involve known and unknown risks, uncertainties and other factors that may cause the actual results, levels of activity, performance or achievements of the Company or its industry to be materially different from those expressed or implied by any forward-looking statements. In some cases, forward-looking statements can be identified by terminology such as "may," "will," "could," "would," "should," "expect," "plan," "anticipate," "intend," "believe," "estimate," "predict," "potential" or other comparable terminology. The Company has based these forward-looking statements on its current expectations, assumptions, estimates and projections. While the Company believes these expectations, assumptions, estimates and projections are reasonable, such forward-looking statements are only predictions and involve known and unknown risks and uncertainties, many of which are beyond the Company's control. These and other important factors, including those discussed under "Risk Factors" in the Company's Form 10-K for the year ended June 27, 2009, as well as the Company's subsequent filings with the Securities and Exchange Commission, may cause actual results, performance or achievements to differ materially from those expressed or implied by these forward-looking statements. The forward-looking statements in this press release are made only as of the date hereof, and unless otherwise required by applicable securities laws, the Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or

otherwise.
