

Perrigo Announces FDA Final Approval For Generic Version Of Nitrolingual® Spray, 400 mcg/spray

ALLEGAN, Mich., Sept. 23, 2013 /[PRNewswire](#)/ -- Perrigo Company (NYSE: PRGO; TASE) today announced that it has received final approval for its abbreviated new drug application for nitroglycerin lingual spray, 400 mcg/spray, the generic equivalent to Nitrolingual® Pumpspray. Perrigo was awarded 180-days of generic drug exclusivity as it was the first company to submit an ANDA containing a paragraph IV certification. Perrigo has commenced shipment of the product.

Nitrolingual® Pumpspray (nitroglycerin lingual spray, 400 mcg/spray) is indicated for the acute relief of an attack or prophylaxis of angina pectoris due to coronary artery disease and has estimated annual sales of approximately \$65 million.

Perrigo's Chairman, President and CEO Joseph C. Papa stated, "This approval once again exemplifies how our research and development capabilities in extended topicals translate into first to market new product approvals. Perrigo is committed to developing complex products and making quality healthcare more affordable for consumers around the world."

From its beginnings as a packager of generic home remedies in 1887, Allegan, Michigan-based Perrigo Company has grown to become a leading global provider of quality, affordable healthcare products. Perrigo develops, manufactures and distributes over-the-counter (OTC) and generic prescription (Rx) pharmaceuticals, infant formulas, nutritional products, animal health, dietary supplements and active pharmaceutical ingredients (API). The Company is the world's largest manufacturer of OTC pharmaceutical products for the store brand market. The Company's primary markets and locations of logistics operations have evolved over the years to include the United States, Israel, Mexico, the United Kingdom, India, China and Australia. Note: Certain statements in this press release are forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and are subject to the safe harbor created thereby. These statements relate to future events or the Company's future financial performance and involve known and unknown risks, uncertainties and other factors that may cause the actual results, levels of activity, performance or achievements of the Company or its industry to be materially different from those expressed or implied by any forward-looking statements. In some cases, forward-looking statements can be identified by terminology such as "may," "will," "could," "would," "should," "expect," "plan," "anticipate," "intend," "believe," "estimate," "predict," "potential" or other comparable terminology. The Company has based these forward-looking statements on its current expectations, assumptions, estimates and projections. While the Company believes these expectations, assumptions, estimates and projections are reasonable, such forward-looking statements are only predictions and involve known and unknown risks and uncertainties, many of which are beyond the Company's control. These and other important factors, including those discussed under "Risk Factors" in the Company's Form 10-K for the year ended June 30, 2012, as well as the Company's subsequent filings with the Securities and Exchange Commission, may cause actual results, performance or achievements to differ materially from those expressed or implied by these forward-looking statements. The forward-looking statements in this press release are made only as of the date hereof, and unless otherwise required by applicable

securities laws, the Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
