Prandin® tablets (repaglinide tablets), are indicated as an adjunct to diet and exercise to improve glycemic control in adults with type-2 diabetes mellitus and have annual sales of approximately \$250 million, as measured by Symphony Health Solutions.

Perrigo's Chairman, President and CEO Joseph C. Papa stated, "This approval shows the talent and expertise of our R&D and regulatory affairs departments. This is another example of Perrigo's commitment to bring new products to market and deliver on our mission to provide quality, affordable healthcare to consumers."

From its beginnings as a packager of generic home remedies in 1887, Perrigo Company plc, headquartered in Ireland, has grown to become a leading global healthcare supplier. Perrigo develops, manufactures and distributes over-the-counter (OTC) and generic prescription (Rx) pharmaceuticals, nutritional products and active pharmaceutical ingredients (API), and receives royalties from Multiple Sclerosis drug Tysabri®. The Company is the world's largest manufacturer of OTC healthcare products for the store brand market and an industry leader in pharmaceutical technologies. Perrigo's mission is to offer uncompromised "Quality Affordable Healthcare Products™," and it does so across a wide variety of product categories primarily in the United States, United Kingdom, Mexico, Israel and Australia, as well as more than 40 other key markets worldwide, including Canada, China and Latin America.
