

Perrigo Announces FDA Approval and Launch of the Generic Version of BenzaClin® Pump Topical Gel

DUBLIN, May 2, 2016 /PRNewswire/ -- Perrigo Company plc (NYSE: PRGO; TASE) today announced it has received final U.S. Food and Drug Administration ("FDA") approval for the generic version of Valeant Pharmaceutical International, Inc.'s BenzaClin® Pump Topical Gel. Shipments to customers have already commenced.

BenzaClin® Pump Topical Gel (clindamycin phosphate 1% and benzoyl peroxide 5%) is indicated for the topical treatment of acne vulgaris. Combined generic and branded sales for the twelve months ending February 2016 were \$79 million.

Perrigo's Chief Executive Officer John T. Hendrickson stated, "This Rx product approval and launch demonstrates the team's ability to leverage Perrigo's manufacturing expertise in order to provide our customers with the latest technologies. Providing our customers with convenient, cost effective technologies like the BenzaClin® Pump furthers Perrigo's commitment of delivering Quality Affordable Healthcare Products® around the world."

About Perrigo

Perrigo Company plc is a top five global over-the-counter ("OTC") consumer goods and leading specialty pharmaceutical company, offering patients and customers high-quality products at affordable prices. From the Company's beginning in 1887 as a packager of home remedies, it has grown to become the world's largest manufacturer of OTC healthcare products and supplier of infant formulas for the store brand market. The Company is also a leading provider of generic extended topical prescription products, and it receives royalties from sales of the multiple sclerosis drug Tysabri®. The Company provides "Quality Affordable Healthcare Products®" across a wide variety of product categories and geographies, primarily in North America, Europe and Australia, as well as in other markets, including Israel and China. Forward-Looking Statements

Certain statements in this press release are forward-looking statements. These statements relate to future events or the Company's future financial performance and involve known and unknown risks, uncertainties and other factors that may cause the actual results, levels of activity, performance or achievements of the Company or its industry to be materially different from those expressed or implied by any forward-looking statements. In some cases, forward-looking statements can be identified by terminology such as "may," "will," "could," "would," "should," "expect," "plan," "anticipate," "intend," "believe," "estimate," "predict," "potential" or other comparable terminology. The Company has based these forward-looking statements on its current expectations, assumptions, estimates and projections. While the Company believes these expectations, assumptions, estimates and projections are reasonable, such forward-looking statements are only predictions and involve known and unknown risks and uncertainties, many of which are beyond the Company's control, including the timing, amount and cost of share repurchases, and the ability to execute and achieve the desired benefits of announced initiatives. These and other important factors, including those discussed under "Risk Factors" in the Company's Form 10-KT for the six-month period ended December 31, 2015, as well as the Company's

subsequent filings with the SEC, may cause actual results, performance or achievements to differ materially from those expressed or implied by these forward-looking statements. The forward-looking statements in this press release are made only as of the date hereof, and unless otherwise required by applicable securities laws, the Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
