Forward-Looking Statements

Certain statements in this press release are "forward-looking statements." These statements relate to future events or the Company's future financial performance and involve known and unknown risks, uncertainties and other factors that may cause the actual results, levels of activity, performance or achievements of the Company or its industry to be materially different from those expressed or implied by any forward-looking statements. In some cases, forward-looking statements can be identified by terminology such as "may," "will," "could," "would," "should," "expect," "plan," "anticipate," "intend," "believe," "estimate," "predict," "potential" or the negative of those terms or other comparable terminology. The Company has based these forward-looking statements on its current expectations, assumptions, estimates and projections. While the Company believes these expectations, assumptions, estimates and projections are reasonable, such forward-looking statements are only predictions and involve known and unknown risks and uncertainties, many of which are beyond the Company's control, including the time, effort and expense to complete the restatement of its financial statements, future impairment charges, the ability to achieve its guidance, the completion of announced acquisitions or dispositions, the ability to execute and achieve the desired benefits of announced initiatives, and the timing, amount and cost of any share repurchases. In addition, the Company may identify and be unable to remediate one or more material weaknesses in its internal control over financial reporting, may encounter unanticipated material issues or additional adjustments that could delay the completion of the restatement of its financial statements or the filing of required periodic reports with the SEC, or may be unable to regain compliance with the NYSE continued listing rules. Furthermore, the Company and/or its subsidiaries may incur additional tax liabilities in respect of 2016 and prior years as a result of the restatement of the Company's financial statements or may be found to have

breached certain provisions of Irish company legislation in respect of prior financial statements and if so may incur additional expenses and penalties. These and other important factors, including those discussed under "Risk Factors" in the Company's Form 10-KT for the six-month period ended December 31, 2015, as well as the Company's subsequent filings with the United States Securities and Exchange Commission, may cause actual results, performance or achievements to differ materially from those expressed or implied by these forward-looking statements. The forward-looking statements in this press release are made only as of the date hereof, and unless otherwise required by applicable securities laws, the Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
