

Perrigo Announces the Launch of Generic Equivalents to Derma-Smoothe/FS® Scalp Oil and Body Oil

DUBLIN, June 21, 2017 /[PRNewswire](#)/ -- Perrigo Company plc (NYSE; TASE: PRGO) today announced it has launched its generic equivalents to Hill Laboratories Inc.'s Derma-Smoothe/FS® Scalp Oil (fluocinolone acetonide scalp oil, 0.01%) and Derma-Smoothe/FS® Body Oil (fluocinolone acetonide topical oil, 0.01%).

Derma-Smoothe/FS® Scalp Oil (fluocinolone acetonide scalp oil, 0.01%) and Derma-Smoothe/FS® Body Oil (fluocinolone acetonide topical oil, 0.01%) are indicated for the topical treatment of atopic dermatitis in adult patients and the topical treatment of moderate to severe atopic dermatitis in pediatric patients 3 months and older for up to four weeks. These products had combined annual market sales for the twelve months ending April 2017 of approximately \$64 million.

Perrigo CEO John T. Hendrickson stated, "This launch is another example of Perrigo's ability to develop and bring to market important extended topical treatments. As always, Perrigo is committed to making quality healthcare more affordable for our customers, consumers and families around the world."

About Perrigo

Perrigo Company plc, a leading global healthcare company, delivers value to its customers and consumers by providing Quality Affordable Healthcare Products®. Founded in 1887 as a packager of home remedies, Perrigo has built a unique business model that is best described as the convergence of a fast-moving consumer goods company, a high-quality pharmaceutical manufacturing organization and a world-class supply chain network. Perrigo is the world's largest manufacturer of over-the-counter ("OTC") healthcare products and supplier of infant formulas for the store brand market. The Company also is a leading provider of branded OTC products throughout Europe and the U.S., as well as a leading producer of "extended topical" prescription drugs. Perrigo, headquartered in Ireland, sells its products primarily in North America and Europe, as well as in other markets, including Australia, Israel and China. Forward-Looking Statements

Certain statements in this press release are "forward-looking statements." These statements relate to future events or the Company's future financial performance and involve known and unknown risks, uncertainties and other factors that may cause the actual results, levels of activity, performance or achievements of the Company or its industry to be materially different from those expressed or implied by any forward-looking statements. In some cases, forward-looking statements can be identified by terminology such as "may," "will," "could," "would," "should," "expect," "plan," "anticipate," "intend," "believe," "estimate," "predict," "potential" or the negative of those terms or other comparable terminology. The Company has based these forward-looking statements on its current expectations, assumptions, estimates and projections. While the Company believes these expectations, assumptions, estimates and projections are reasonable, such forward-looking statements are only predictions and involve known and unknown risks and uncertainties, many of which are beyond the Company's control, including: the timing, amount and cost of any share repurchases; future impairment charges; customer

acceptance of new products; competition from other industry participants, some of whom have greater marketing resources or larger market shares in certain product categories than we do; pricing pressures from customers and consumers; potential third-party claims and litigation, including litigation relating to our restatement of previously-filed financial information; potential impacts of ongoing or future government investigations and regulatory initiatives; general economic conditions; fluctuations in currency exchange rates and interest rates; the consummation of announced acquisitions or dispositions, and our ability to realize the desired benefits thereof; our ability to achieve our guidance; our ability to execute and achieve the desired benefits of announced cost-reduction efforts and other initiatives; and the timing and expense to complete the announced tender offer for certain of our outstanding notes. In addition, the Company may identify and be unable to remediate one or more material weaknesses in its internal control over financial reporting. Furthermore, the Company and/or its subsidiaries may incur additional tax liabilities in respect of 2016 and prior years as a result of any restatement or may be found to have breached certain provisions of Irish company legislation in respect of prior financial statements and if so may incur additional expenses and penalties. These and other important factors, including those discussed under "Risk Factors" in the Company's Form 10-K for the year ended December 31, 2016, as well as the Company's subsequent filings with the United States Securities and Exchange Commission, may cause actual results, performance or achievements to differ materially from those expressed or implied by these forward-looking statements. The forward-looking statements in this press release are made only as of the date hereof, and unless otherwise required by applicable securities laws, the Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
