

## **Perrigo To Divest Animal Health Business For \$185 Million In Cash As Part Of Consumer Self-Care Transformation**

DUBLIN, May 8, 2019 /PRNewswire/ -- Perrigo Company plc (NYSE; TASE: PRGO), today announced that it has reached a definitive agreement to sell its Animal Health business to PetIQ (NASDAQ: PETQ) in a transaction valued at \$185 million in cash. This transaction is consistent with Perrigo's plans to transform itself into a consumer-focused, self-care company.

Perrigo CEO and President Murray S. Kessler commented, "We are pleased to have reached an agreement with PetIQ on selling our Animal Health business and look forward to working with them to ensure a seamless transition. This divestiture helps us focus our portfolio on the consumer self-care market. In PetIQ's hands, we have no doubt the Animal Health business will be in a strong position to execute on its strategy."

In calendar year 2018, Perrigo realized \$94 million in net sales and \$0.08 of adjusted diluted EPS from the Animal Health business. The transaction is subject to customary closing conditions. William Blair is serving as exclusive financial advisor to Perrigo on the transaction. Morgan, Lewis and Bockius is serving as Perrigo's legal counsel.

### **Forward-Looking Statements**

Certain statements in this press release are "forward-looking statements." These statements relate to future events or the Company's future financial performance and involve known and unknown risks, uncertainties and other factors that may cause the actual results, levels of activity, performance or achievements of the Company or its industry to be materially different from those expressed or implied by any forward-looking statements. In some cases, forward-looking statements can be identified by terminology such as "may," "will," "could," "would," "should," "expect," "forecast," "plan," "anticipate," "intend," "believe," "estimate," "predict," "potential" or the negative of those terms or other comparable terminology. The Company has based these forward-looking statements on its current expectations, assumptions, estimates and projections. While the Company believes these expectations, assumptions, estimates and projections are reasonable, such forward-looking statements are only predictions and involve known and unknown risks and uncertainties, many of which are beyond the Company's control, including: the timing, amount and cost of any share repurchases; future impairment charges; the success of management transition; customer acceptance of new products; competition from other industry participants, some of whom have greater marketing resources or larger market shares in certain product categories than the Company does; pricing pressures from customers and consumers; resolution of uncertain tax positions, including the Company's appeal of the Notice of Assessment ("NoA") issued by the Irish tax authority and the Notice of Proposed Adjustment ("NOPA") issued by the U.S. Internal Revenue Service and the

impact that an adverse result in such proceedings would have on operating results, cash flows, and liquidity; potential third-party claims and litigation, including litigation relating to the Company's restatement of previously-filed financial information and litigation relating to uncertain tax positions, including the NoA and NOPA; potential impacts of ongoing or future government investigations and regulatory initiatives; the impact of tax reform legislation and healthcare policy; general economic conditions; fluctuations in currency exchange rates and interest rates; the consummation of announced acquisitions or dispositions and the success of such transactions, and the Company's ability to realize the desired benefits thereof; and the Company's ability to execute and achieve the desired benefits of announced cost-reduction efforts and strategic and other initiatives. Statements regarding the separation of the RX business, including the expected benefits, anticipated timing, form of any such separation and whether the separation ultimately occurs, are all subject to various risks and uncertainties, including future financial and operating results, our ability to separate the business, the effect of existing interdependencies with our manufacturing and shared service operations, and the tax consequences of the planned separation to the Company or its shareholders. Furthermore, the Company may incur additional tax liabilities in respect of 2016 and prior years or be found to have breached certain provisions of Irish company law in connection with the Company's restatement of previously-filed financial statements, which may result in additional expenses and penalties. These and other important factors, including those discussed under "Risk Factors" in the Company's Form 10-K for the year ended December 31, 2018, as well as the Company's subsequent filings with the United States Securities and Exchange Commission, may cause actual results, performance or achievements to differ materially from those expressed or implied by these forward-looking statements. The forward-looking statements in this press release are made only as of the date hereof, and unless otherwise required by applicable securities laws, the Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
