

Perrigo Commences Shipments of Opill® to Retailers Nationwide, Empowering Millions to Enter a New Era of Reproductive Health Access in the United States

- Opill®, the first ever daily birth control pill available without a prescription in the United States, will be available in-store and online at retailers nationwide in the coming weeks and for pre-order from select retailers beginning this week
- To maximize the impact and accessibility of Opill®, Perrigo has sought to ensure both the affordability and availability of Opill® on shelves across the country and online

DUBLIN and GRAND RAPIDS, Mich., March 4, 2024 [/PRNewswire/](#) -- Perrigo Company plc (NYSE: PRGO), a leading provider of *Consumer Self-Care Products*, today announced that Opill® has shipped to major retailers and pharmacies and will be available on shelves nationwide and online later this month. Approved by the U.S. Food and Drug Administration (FDA) for OTC use for all ages in July 2023, Opill® is the first-ever daily birth control pill available without a prescription in the U.S.
